

MARCH 2026

Three & Four Year Old Class

Greetings!

In February, we learned all about Groundhog Day and explored shadows.

Our Muffins with Mom celebration was so much fun! We got to make mudpies with them and played with the parachute!

We learned about our beating heart, celebrated Valentine's Day, learned about poison safety, and finished the month learning about the importance of seeing our dentist regularly and ways to take care of our teeth. We focused on the letters K, M, and N.

March is going to be a fun month! We will be learning all about different modes of transportation, leprechauns, pots of gold, celebrating St. Patrick's Day, and we will start talking about the Easter holiday and springtime!

We will focus on the letters U, X, Y and Z.

God's Blessings to you all,
Ms. Marissa, Mrs. Deb, Mrs. Linda, and Mrs. Kelly

MARCH 2026

Pre-K

Hello First Lutheran Congregation!

We have been busy! We have learned about Groundhog's Day, shadows, burrows, hibernation, migration, and those animals that stay awake near us.

Our field trip to Pizza Ranch was fun! We sang all the way there and back. The students told us some really funny jokes too! They loved every minute and some said it was the best day ever! The kids actually made pizza and learned how they fry chicken. The game room was so cool too!

UNK students and dental professionals visited and taught us about dental care. It was soooo fun!

The week of our Valentine's Party was a blast! We played a heart memory game and musical hearts. Their valentine boxes and valentines were beautiful! We have some very creative families! They learned how to use a baggie dipped in paint to make roses on paper

We celebrated Dr. Seuss on the week of his birthday. We are already on the letter T. They have learned a ton of kindergarten words already! Some students know 40 plus sight words and they are reading all over the room.

Soon we'll have Letter U week and celebrate with some St. Patrick's Day fun! There might be a leprechaun making mischief in our room. We shall see!

Our March field trip will be to the Kearney Area Animal Shelter which is always the student's favorite field trip!

Our Spring Break coincides with KPS from March 23rd – 27th.

Lastly, we will learn about Easter and why we celebrate that Holy Sunday! We will color eggs, have an egg hunt, and read lots of books about Jesus. They also will make a cute basket.

Many March Blessings to you and your families!

Mrs. Amanda & Mrs. Sonya
